## **1000's of job contacts – designed to help you find the job of your dreams**

You've done all the hard work, you've completed a TEFL course, you've studied for hours and now you'll have to spend weeks trawling through 100's of websites and job's pages trying to find a decent job! But do not fear, dear reader, there is help at hand!

We may have mentioned it before, but we've been doing this for years, so we've got thousands of job contacts around the world and one or two ideas on how you can get a decent teaching job overseas - without any of the hassle.

### **Volunteer Teaching Placements**

Working as a volunteer teacher gives you much needed experience and will be a fantastic addition to your CV. We have placements in over 20 countries worldwide and your time and effort will make a real difference to the lives of your students.

### **Paid Teaching Placements**

We'll find you well-paid work in language schools across the world, we'll even arrange accommodation and an end of contract bonus. Get in touch and let us do all the hard work for you.

For more information, give us a call on:

+44 (0)870 333 2332 –UK  
(Toll free) 1 800 985 4864 – USA  
+353 (0)58 40050 – Republic of Ireland  
+61 1300 556 997 – Australia

Or visit [www.i-to-i.com](http://www.i-to-i.com)

If you're determined to find your own path, then our list of 1000's of job contacts will give you all the information you'll need to find the right job in the right location.

We're not saying that this is an exhaustive list of all the hundreds of thousands of opportunities out there - but it's as good a head start as we've ever seen.

### **How should you use the list?**

We have split the list by geographical region – Africa, Asia, Europe, North America, South America and Oceania. You can use the list either to track down opportunities in the country of your dreams or use it as a source inspiration for finding work in a country that you hadn't even thought of!

Once you know where you want to work, put a CV and covering letter together and get cracking with your applications.

Good luck and have fun working your way around the world!

#### **NOTE:**

Language schools are changing all the time – they get better, they get worse, they open and they close. i-to-i cannot guarantee the employment conditions of any of the schools mentioned in this list. i-to-i also cannot guarantee that you will be accepted as a teacher at the schools included. This list is provided as a guide only. It's a pretty good guide though, even if we do say so ourselves!
